When fantasies come true...

My boyfriend Nick's fantasy is to see me getting shafted by another bloke.

I told him I wouldn't mind and we set it up with Nick's best mate Sean, who was a bit of alright. We met up, along with Sean's girlfriend Lara, at Nick's flat.

We had a few drinks to get everyone nicely relaxed, and then Nick suggested I sit on Sean's lap. I was a bit nervous about having sex in front of other people, as I'd never done it before. It was obvious Sean had no such

qualms. When I sat on his lap I could feel his hard cock poking against me.

We started kissing and he reached inside my top and unclasped my bra, pulling it out through my sleeve. Then he put his head up my shirt and began sucking on my nipples, making them rock hard and giving me goose bumps all over. I was getting very turned on. "Let us have a look!" said my boyfriend, so I pulled my top over my head.

Sean then stood me up in the centre of the room and sucked my hard nipples.

Then he undid my skirt and let it fall to the ground. Warming to my role, I kicked it away to leave me standing there in just a skimpy G-string and boots. Then I undid Sean's jeans and pulled them down. I pulled off his boxer shorts to reveal a big hard cock. He pulled his top off while I got on my knees and started to suck him off.

I felt someone tugging at my G-string from behind and then an exquisite tongue exploring my moist slit. Out of the corner of my eye I saw Nick sitting on the sofa wanking, so I realised it must have been Lara licking me out. This made me feel sexy as hell - this was the first time a girl had been anywhere near my pussy.

She peeled my knickers off and I opened my legs and stuck my arse out to give her full access. In the meantime I deep-throated Sean and sucked his bollocks to moans of approval.

could feel his balls touching my arse. Then he began to pump me good and fast.

Then Lara came over and put a pillow behind my head. She lifted up her skirt, took off her knickers and stood over me. I beckoned her down, eager to have my first ever taste of a pussy.

She squatted over my face and I closed my mouth over her smooth shaven cunt. It felt beautiful and I

"He eased the tip of his cock into my juicy hole"

Then Nick said he wanted to see Sean fuck me. I lay on the floor on my back and Sean clambered on top of me. Holding my legs high, he eased the tip of his cock into my juicy hole. He slowly fed his cock into my cunt until I

sucked away at her eagerly. I was reaching new heights of sexual ecstasy as Sean fucked me with his big cock and I licked Lara's gorgeous pussy. It wasn't long before I was cumming, my pussy clamping around Sean's stiffy.

Porno of the Month

ALCO-POP SHOTS!

Never mind the alcoholics, here's the girls from *Wasted*, a terrifying look at the dark side of the porn industry in LA – insane kinky sex, booze-fuelled buggery and appalling tattoos. For those who like their porn rough and ready, their girls unadorned and their sex frantic and filthy-mouthed, or those who, like us, get their rocks off over the likes of Albanian-born Breanne Benson getting a wank-hole workout in a gym and ridiculously-titted Latino hot tamale Angelina Valentine sucking the sperm out of a cock like a thickshake, get *Wasted*!

Lara told me I was going to make her cum. This was a big turn on, especially when she actually came and I could taste her juices in my mouth

again for one last time just as Sean announced he was going to shoot. "Cum inside her!" said Nick, and his mate did just that, filling me up

"I closed my mouth over her smooth shaven cunt"

and running down my cheek. The scene was clearly doing it for Nick as well, because just then he started wanking in my face. He shot streaks of cum into my mouth. I came

with his sticky spunk.

That session led to many more dirty nights with Sean and Lara.

Real smut from the Razzle sack!

Sex overdue in the library

At the moment I am free and single (and easy!) and I am really enjoying myself. I'm going out a lot, pulling fit young men and women and having horny, no-strings attached sex – I've cum more over the last couple of months than I ever have before.

A few weeks ago I had a particularly unexpected bit of luck. I was at the library of all places. I was settling down with a couple of textbooks (swotting up for my evening classes in French) when a good-looking guy sat at the desk opposite me.

I tried to concentrate on

my work, but I kept getting distracted, imagining him doing rude things to me. I kept glancing up at him over my book, studying his face and envisaging what he would look like naked. The next time I peeped over my book at him, he was doing exactly the same thing. We both hid behind our books immediately, and I was really embarrassed.

It was a turn-on to be flirting with a stranger like this in a public place. Feeling decidedly horny, I rearranged my legs so my skirt rode higher up my thigh, giving him a good eyeful of my firm, tanned thighs. If he was lucky, he could get a

glimpse of my skimpy knickers up my skirt.

He had another sly peek round his book, and his face lit up when he saw what I had on show.

I could sense he was staring at me and I rubbed my legs together seductively, feeling the first traces of moisture gathering in my pussy. I eased my legs wider apart, allowing him to clearly see

my panties. Then I slid a hand down my thigh and inched it up my skirt.

I slowly moved my hand towards my hot pussy and started to rub my lips through my panties. At this point I put my book down and looked the bloke straight in the eye. He was shocked at first, but it slowly dawned on him that I was doing it for his benefit. I kept looking at him as I spread my legs further, pulled my panties to one side and slid a finger inside my cunt.

He kept shifting in his seat as he watched me finger myself, trying to contain the hard-on that was straining through his jeans. I frigged myself faster, excited by what I was doing. I was close to cumming, but I knew if I did that I would make a noise and

room. I opened the door to check it was unoccupied, and I saw his reflection in the door window, lurching after me on three legs.

I pulled him inside the room and slammed him back against the door, grabbing his cock and shoving my tongue down his throat. He responded equally frantically, mashing

“He fingered my juicy cunt, spread my flaps and guided his cock in”

everyone would clock me. I was incredibly turned-on and nothing was going to stop me from getting my rocks off.

So I pulled my panties back across my cunt, rearranged my skirt and got up. I winked at the guy before turning my back on him and sauntering towards a private study

my tits and grabbing my arse. We couldn't get each other's clothes off quick enough. All the tension of our scene in the silence of the main library exploded into passion.

I pulled his shirt up over his head while he unbuttoned his jeans. My top and bra were thrown to the floor and he

sucked and bit my nipples like an animal. I got on my knees and yanked his jeans and boxers round his ankles. His cock was big, hard and veiny, with a drop of pre-cum glistening at the

his bulging helmet to my entrance. Once he'd nudged the head in he thrust the rest in quickly, knocking the wind out of me. I gasped with the sudden pleasure, and backed onto his cock as far as I

"I felt a slut being fucked in the library"

helmet. I gobbled it down, wanking his shaft desperately and pecking at his cock like a woodpecker.

He grabbed the back of my head, holding it still while he thrust his fat dick in and out of my gob, fucking my wet mouth with abandon. I thought he was going to cum right down my throat, but instead he pulled out and bent me over the desk.

He fingered my juicy cunt roughly, spread my flaps and guided

could. He slid in till only his bollocks were visible. Then he pulled right out again and slammed it up me once more. He kept fucking me with long deep strokes, quickening the pace each time.

Soon he was pounding in and out of me, his long fat cock disappearing up my soaking cunt time after time. I was so horny – I felt like such a slut being fucked over a desk at my local library while in the next room

people were reading a load of boring books. I felt an orgasm welling up inside me, and the guy had to clamp his hand over my mouth as I moaned and groaned and came on his cock.

My cunt clamping and tightening around his cock sent the guy into overdrive, and he pumped his salty seed into my cunt where it mixed with my love juice. He pulled his cock out and I sucked the mingled juices off it and licked up the streams that had trickled down his balls and thighs.

It was a fantastically unexpected, spontaneous, filthy fuck.

The mother is mortified, having her two innocent, young sons in the back of the car, so she turns to reassure them saying, "Don't worry, boys, that was just a big insect." The eldest lad, quick as a flash, replies, "Jeez Mum, I'm surprised it could get off the ground with a huge dick like that."

A MAN PHONES HIS OFFICE CLAIMING TO BE ILL. "I'M SORRY BUT I CAN'T COME IN TODAY," HE TELLS HIS BOSS. "I'M SICK." HIS BOSS REPLIES, "WELL, JUST HOW SICK ARE YOU?" THE MAN THINKS FOR A SECOND BEFORE REPLYING, "WELL, YOU BE THE JUDGE - I'M IN BED WITH MY SISTER."

An old man goes to visit a witch to remove a curse that he's been living with for over 45 years. The witch agrees and says, "All I will need is a lock of your hair and then you must tell me the exact words that were used to put the curse on you." True Conf

Every girl needs a box of dildos, and an obliging randy neighbour to try them out...

My boyfriend always buys me a special present when he's away on business, which, unfortunately is quite a lot these days.

Such is the size of my collection of toys, I keep them in a big case, which I keep out in my room whenever I'm alone for a few days. Whenever I'm in the mood, I always take a long time deciding which one to rub, fill and fuck my pussy with. I like to go out wearing things under my knickers, too – especially my vibrating butterfly toy, which straps onto my moist clit. I always end up coming at some point, leaking juices all over my underwear – usually in the middle of a restaurant or bar! The orgasm is so intense – heightened, no doubt, by the fact that I'm frightened someone will notice my hips writhing on the chair and guess that I'm climaxing in front of everyone! Anyway, the story I'm going to share is one that even my boyfriend doesn't yet know about.

While he was away for a week in New York, we had a particularly long and sexy phone call. He told me about all the cute girls that were coming on to him, describing what they were wearing and how fit their bodies were. He knew how desperate I was to taste another girl's pussy and teased me about it often. I'd only had a handful of lesbian experiences but had never been lucky enough to lick another girl

“She could hear me fucking my pussy with my sex toys”

out. The thought of probing another girl's tight little fanny with my rigid tongue, while she teased her fingers around my pulsating hole, was a complete turn-on.

By now I was feeling very, very horny – my damp and swollen clit ached for attention. I rubbed myself through my panties as we talked, my boyfriend's voice only adding to my desire. The frustration was unbearable, so when we hung up I knew it was time for my favourite toy – The Pussy Diver. This magic vibrator penetrates my pussy to a nice depth, whilst simultaneously massaging my clit. And, all-importantly, it gives me the most fantastic climax.

I was lying on my bed, just starting to relax while rubbing the toy around my lips, when I heard a faint vibrating noise coming from the flat upstairs. The walls and floors were so thin in my building you could hear practically everything! This wasn't the first time I'd heard this and I was now convinced that it must be the girl who lived alone upstairs, masturbating with a vibrator. My imagination ran wild; I pictured her upstairs getting off with her special dildo while I did the same downstairs. My cunt juice had started dripping from my pussy down to my bumhole, leaving a big

wet stain on the sheets. I'd seen her about a fair bit and exchanged pleasantries, but had never introduced ourselves or anything. She was quite petite with short black hair and had the prettiest smile. I always felt a few butterflies in my tummy when I saw her, and from her body language, I had an inkling she may feel the same. Put it this way, it certainly wasn't hard to fantasise about her!

Before I could close my eyes and feel the familiar sensation of the cold, hard, rubber cock sliding into my wet hole, the noise upstairs stopped. I heard her footsteps as she walked across the room, out of her flat and down the stairs. This was followed by a knock at my door.

I opened it gingerly, to see her standing there in a skimpy white vest top and a pair of matching shortie-briefs. She grinned at me when I peered round the opened door and said, “Hiya! I know we haven't been properly introduced, so I thought I'd pop round and do so! I'm Sammy, by the way!” I returned her grin and held my

fessions!

hand out for her to shake, "Melissa, umm, Mel!" She looked at me, a twinkle in her eye and said, "I hope you don't mind me being so forward, but I've noticed that your boyfriend is away a lot and I thought that you might appreciate some company. I live on my own, you see!" She shrugged. "Oh, that'd be really nice," I stuttered nervously, "please come in."

She strutted in and saw the vibrator on the bed, next to the large wet patch. "You're being a bit of a naughty girl while your man's away," she said forwardly, moving closer and closer to me as she spoke, stopping within inches from my face, so I could feel her breath. "I know you can hear me playing with myself upstairs. Can't you?" My blushing cheeks told her the answer. "Well, I know about all the naughty things you get up to, too," she continued, "Remember when your boyfriend fucked you from behind on the roof terrace? I was watching from my window. You couldn't get enough of his cock in you, could you? It turned me on so much. Everyone else might not have been able to see you, but I sure as hell could."

I was mesmerised by this sexy woman as she suddenly pushed me back onto the bed, while she grabbed an unused double-ended dildo from my case on the floor. "Now let's see what you can do with this," she said, approaching me slowly.

She wasted no time, gently pushed one end into my moist mound, working it in and out until I was crying with pleasure and begging her to let me come all over it.

Crouching above me on the bed, she fed her shaven pussy with the other end of the dildo. Sharing her toy was such a turn-on and as she leant forward, gasping

ting me so worked up that I slid two fingers up my own gushing slit. My hand was coated with juice and I was soon bucking and writhing on my fingers, lost in an orgasmic world. "I'm going to fill your mouth," she moaned and I was surprised as her pussy ejaculated, shooting fluid all over my gasping, upturned face.

"Lapping at her fanny-fountain got me gushing"

with pleasure, I licked her hard nipples. We moaned as we bounced up and down on the dildo and I realised that this was my chance to finally taste a dripping fanny.

I pulled the dildo out of her glistening cunt and started nibbling her ears, whispering that I'd never licked a woman out before. This aroused her even more and she pushed my head between her legs and into her sopping wet sex. My tongue circled and flicked her hard love-bud.

Lapping at her fanny-fountain was get-

How lucky I was to have my first experience with a person of the same sex with such a hot girl, with such a great tasting pussy that eagerly shot juice into my mouth. The taste of her, combined with her horny moaning, was too much and I climaxed all over my hand.

I wasn't disappointed that she hadn't made me come, as she promised that whenever my boyfriend was away she would come down to help me test out all of my special toys!

It's a caravan of lust when I have sex with my fuck buddies in it

have ever tasted.

The last time she was over we put on a bit of a show in the caravan for Nick. We were feeling frisky because we hadn't had each other for a while, so we suggested to Nick that we have a session in the caravan while he took photos. In a flash he had grabbed his camera and the obligatory cans of lager, and we traipsed off over the field to the caravan.

As soon as

the door was shut, Holly and me stood in the middle of the floor kissing and undressing each other. Nick made himself comfortable, cracked open a can and settled down with his camera to enjoy the show.

before suddenly ripping my tights at the crotch and fingering my moistening cunt.

I threw my head back for a few moments, enjoying the feeling of Holly bringing me off again – it had been a while. I pulled her up and dragged her over to the mattress. I sat down with her standing in front of me

with her back to me. I slowly removed her knickers, pulling them down over her white leather boots. Then I bent her over so I was presented with the scrumptious sight of her smooth, pink pouting pussy.

I parted her lips with my fingertips and slurped the length of her slit, from her clit to her arsehole. She murmured appreciatively and I went to work on her fantastic fuck-hole with my tongue and fingers. After a couple of minutes her legs started

Holly only had a little skirt on, which I quickly undid and took off. I had a short skirt on and tights with no knickers. Holly was soon pulling my skirt up around my waist and rubbing my bald pussy through my tights. Then she knelt down and ran her hands all over my silky legs and bum,

shaking and she came, her juices oozing out over my tongue and fingers.

Nick was swigging his lager, taking photos and telling us how horny we were, encouraging us to be even ruder. Holly turned round to face me and pushed me back onto the mattress. I lay on my back and put my legs in the air. Holly buried her face between my legs and started licking me out.

Her clever little tongue darted all over my hot pussy, tickling my lips and teasing my clit. Then she hoisted my legs higher into the air and spread my arse cheeks. The naughty girl then started licking out my arsehole,

making me quiver with pleasure as she probed and teased my sensitive ring.

As Holly clambered on top of me for a 69, I saw that Nick was standing over us wanking his cock. Holly reverted to licking out my cunt, sliding one finger inside my hole and another one up my arse while she did, driving me wild. Nick was by now kneeling by my side with his cock in my face, so I alternated between licking Holly out and sucking his knob.

In no time at all Holly's tongue and finger work brought me to a wonderful orgasm that lasted for ages,

my pussy clenching tight and squirting juice over Holly. When I had finished moaning, Nick shoved his cock in my mouth. He had put his

cock out of my mouth and started jacking himself off in my face. With a grunt of satisfaction, he unloaded into my open mouth and over my

How's that New Year diet getting on? Still wobbling in all the wrong places? Bin the latest fad diet book, cancel that overpriced gym membership and invest in this for your body – and more importantly for your sex life. Pole dancing classes are ten a penny, but this kit goes one better, letting you set it up in your own pad so your moves can be fully appreciated. The kit contains everything you need to get ready, even the spanner (no, not your bloke!). Once you have got your moves, there is nothing to stop you from taking this round to your mates to teach them a trick or two. Just make sure you read the instructions with this one – over-enthusiasm could lead to flying out of the bedroom window.

LOVEHONEY MINI MAGIC WAND VIBRATOR

As careful readers will know, the Bodywand Massager is my favourite toy – the only one that guarantees a crazed cumfest. So imagine my delight when I was sent this, the mini version. It measures just under eight inches, so will fit into your bag easily, making it perfect for weekends away. The full-sized one can be tricky to hold, a problem solved in this mini-me wand. And so to the killer question: does the size compromise the cumming? Nope, orgasms are as big as ever!

Available from www.lovehoney.co.uk from £29.99

LOVEHONEY TEASE ME SATIN BONDAGE BOW WRIST RESTRAINT

What more could your man want this Valentine's than you, naked, all wrapped up in a sexy satin bow? A season ticket perhaps? The new BMW 6 series coupe, your sister.... Well maybe not then, but I bet he won't complain either. This gorgeous purple and black satin tie has a

clever central loop, making it simple to tie the wrists or ankles up in an cheeky bow. Soft and sexy to the touch and gets my thumbs up as well as my bondage-loving man's cock. The restraint measures 51.5 inches from end to end so will restrain all.

TERESA & CHRIS

LUCKY
FUCKER!

When I moved here a couple of months back, I was pleased to discover that the house next door to mine was shared by three gorgeous blokes. For a long time I never got to do more than say a quick hello to them, but they inspired some very hot wanking sessions.

One night, as I left our local after a girls' night out, I bumped into one of my neighbours, Chris, in the street. He said we might as well walk home together. I'd drunk enough to break down any inhibitions I might have had, and as we chatted I didn't so much flirt with him as talk dirty! When we got near to where we lived, I suggested we take a detour.

Chris must have known as well as I did that the alley I led him down was a dead-end not a short-cut, with a high chainlink fence at the far end. When I reached it I stopped, then turned to face Chris.

Right from the start our kissing was deep and urgent, with Chris ploughing his tongue in and out of my mouth with a fucking motion. I pulled him closer and started rubbing my body against his, then gasped as he slid one of his legs in between mine. Though my skirt was short, I wasn't wearing knickers underneath it, and I wondered how long it would be before he felt my cunt juices soaking into the leg of his trousers. Just thinking about it got me even wetter, and then Chris eased his hand in between my thighs.

I felt him jump slightly in surprise as it made contact with my shaved cunt lips, but it didn't take long before he started to pump his fingers in and out of me, circling the flat of his hand against my clit at the same time.

After just a couple of minutes of this I was clinging onto

“The fence rattled as he fucked me urgently, raising me off the ground as he slammed into me”

the fence, clenching my fists tight around the thick wire, concentrating on the intense pleasure I was feeling. Then Chris slowed right down, idly stroking my cunt to keep me on the boil as he took out his cock and started to wank it. He inched forward and spread my wet lips open with his fingers as he guided it inside of my hole.

He fucked me urgently, almost raising me up off the ground as he slammed into me. The fence rattled as we pounded against it,

and I buried my face in his shoulder to muffle my moans of pleasure as my orgasm finally hit. That set Chris off cumming and he leaned all his weight against me, plunging his prick up to the balls in my cunt as he shot his load.

When we got home, Chris invited me in for a nightcap. I accepted, secretly hoping I'd get the chance to introduce myself properly to his housemates, Lee and Dan. From the smart remarks they made as I soon as I walked in with Chris – and from what amounted to a confession from Lee – I soon realised that I was the object of quite a few of their fuck fantasies.

I wasn't offended, and as I sat there and felt Chris' hand trail up my leg and slide in between my thighs again, I drunkenly admitted to them that the feeling was mutual.

I lay back and splayed my legs even wider, as Chris spread my swollen fuck lips to reveal my wet hole. Then Dan took over, sinking his face into my crotch. He licked my mound and lips all over, then inched his tongue inside me, feeling how sensitive I was.

First his lips and then his teeth seized and teased my swollen clit, twisting it, then nibbling it so sharply that the fierce sensations sent sparks of blinding arousal to my brain, leaving me breathless and quivering in a flood of ecstatic excitement.

I arched my hips up off the sofa to meet his oral assault with my juicy pussy. Then the unmistakable pressure of my orgasm began to build big time, and I

heaved my pelvis madly against his face, sending his flickering tongue even deeper into my frantic cunt. I pumped my mound in rhythm with the warmly probing shaft of his tongue as it slithered into my glistening, moistened slit. Contractions gripped my pussy and I climaxed hard as hell as Dan licked me to one of the most incredible orgasms I've ever had.

Before I could even catch my breath, Lee straddled my face so I could lick and suck his balls, then he turned around so he could fuck my mouth.

Opening my mouth wide I pursed my lips round his throbbing hard-on, sucking his prick sexily as I desperately tried to impress him with my skills, even more than I do usually. This may have been partly to do with the alcohol, but having three gorgeous men servicing me all at once had me so horny that I felt like a porn star!

Tilting my head back to widen my throat and allow as much of his cock inside, I sucked hard, hollowing my cheeks and creating a vacuum inside my mouth. In a matter of minutes it felt like he was getting ready to shoot, and he held my head firmly in place as he rammed his knob against my tonsils. I love this kind of rough play, and it made me feel hornier than ever as I gagged on his thick prick, enjoying the feeling as he face-fucked me good and proper.

Chris watched us, wanking himself slowly as his mates took their turn at me. Dan ate my cunt, setting the pace at which I sucked Lee's cock. He'd slow right down and rasp his tongue over my clit, then switch to sucking it hard and fast. My mouth began to water as the first drop of Lee's salty pre-come spread out over my tongue, followed minutes later by a blast of spunk.

Dan straightened up, fumbled his flies open, then yanked down his jeans and pants. His cock sprang out, already as hard as a pole, and already dribbling moisture from its tip. He knelt between my thighs and raised my legs up over his shoulders. I shut my eyes and braced myself to feel him ram his prick deep into my cunt, but instead he just slipped a couple of fingers

inside me. This forced the juices out of my pussy, and as they trickled down my crack, he pulled his fingers back out and rubbed them around my arsehole. I breathed in as I felt him touch the tips of his fingers to my anal opening, and then I breathed out, relaxing my body as he slid them both in down to the knuckles.

He rolled me over so I was lying on my side with my legs drawn up and then, he slid his prick into my cunt, which felt like it was twice as tight as usual.

Soon he was fucking my cunt and fingering my bum – complete and utter

little, then squashed my boobs together with my hands. He aimed his cock at them and wanked away furiously, just two or three times, which was enough to set him off cumming. A load of creamy spunk splattered all over my tits, just as Dan

"A load of creamy spunk splattered all over my tits, just as Dan emptied his load into my cunt"

emptied his load into my cunt.

Now we've all realised the fun to be had living next door to each other, you'll often find the four of us – or variations of – in bed! I've been fucked in every combination and position you can think of, and I love it! Who needs a steady boyfriend when you've got three hot fuck-buddies next door?

Teresa, Notts 😊

stimulation! I could feel his cock pushing deeper inside me with each stroke as the friction brought me close to my second climax.

He paused for a moment with his knob buried in me and my pussy muscles gripped even tighter around his shaft, my anal muscles squeezing his fingers. Now he began to fuck me slowly, easing his meat gently in and out. He pulled his fingers from my arsehole and reached around to fondle my tits and tease my clit as he repeatedly powered his cock in to me to the base of his shaft and drew it slowly out again.

Then, without warning, he began to piston in and out of my pussy, slamming his full length into me with almost savage thrusts. My breath hissed through my teeth as I felt his enormous pulsing cock throbbing deep inside me.

It felt so good that I almost forgot about Chris, until I saw him kneeling in front of me, pumping away at his prick, that is. I opened my mouth and wiggled my tongue, inviting him to slip it in, but he seemed determined to keep on wanking it off himself. Then he reached out and stroked my nipples. I twisted my upper body a

True Conf

Emma rides a wave of spunk and pussy juice on a surfing holiday she'll never forget

Last summer, my best friend Teresa and her boyfriend Ben invited me to go on a surfing holiday to Cornwall with them for a fortnight. It was only Ben who was into surfing, so it was obvious I was there to keep Teresa company.

One morning I knocked on their bedroom door to ask if they wanted some coffee. Ben had left the B&B at the crack of dawn

and Teresa asked me if I'd ever been with another woman. I told her I'd gone to bed with a girl I'd known in college, but that I'd been a little drunk at the time.

When I asked her the same question she said she'd had a similar encounter, but that she hadn't liked it all that much. Then she added that she might have enjoyed it better if she'd been a little more sexually experienced at the time.

face between her tits through her T-shirt. Getting naked seemed the natural thing to do, so we helped each other out of our night wear.

I usually keep my pussy shaved during the summer – it's cooler and looks better under a swimsuit – and Teresa's eyes widened when she saw it. "Looks tidy, doesn't it?" I said, straddling her body again, so she could take a closer look. "It feels even better," she replied.

I raised her hand and gently stroked it over my labia, and she smiled as her fingertips brushed my smooth skin. I spread my legs so my cunt lips parted, and her fingers slipped in between them. She was still a little cautious, so I took over, humping my fanny against hers, hearing it slurp and squelch as the juices ran out of it and down to soak Teresa's hand.

I could have kept going until I came, but instead I turned around so we were in a sixty-nine. Teresa's pussy was as wet as mine, though most of her juices

"He probed and ground my hot twat with his stiff meat"

to catch some early waves, and Teresa was under her duvet, complaining that she always woke up feeling cold when he wasn't there for her to snuggle up to. I agreed it was chilly, and she suggested I get into the bed to keep warm, while we drank our coffee together.

We laughed as we sipped it, making some fairly obvious wisecracks, before Ter-

We both went quiet for a couple of seconds, as we thought about it all, then we turned to face each other and kissed. Teresa seemed a little tense, but as we kissed more deeply and pulled each other close, her body seemed to relax and go all loose in my arms. We rolled over on the bed so I was on top of Teresa, and I kissed her again on her mouth, then nuzzled my

tongue. I came just a few seconds later and then we lay down together, Teresa slipping a hand between my thighs to cup my labia.

We had a surprise though – the surf wasn't too good that morning, so Ben had come back to the B&B earlier than we'd expected. I had just started shaving Teresa's pussy when we heard him come in, but I just carried on. When he walked into the bedroom he saw me in between Teresa's legs, with my bum thrust back and my open, suck-swollen cunt peeking out between my cheeks.

Teresa told him he could stay and watch us, and he did, beating his rock-hard meat all the while. He was so horny he looked like

he might shoot his load at any second, but he held himself back until I'd finished shaving Teresa. I let him get in between her legs,

“My suck-swollen cunt peeked out at him”

so I thrust my bum back a fraction of an inch so it was right up against her mouth. As I had hoped she licked and sucked me harder, and I could feel the suction as she swallowed my cream. As I began to tongue-fuck her, jabbing in and out, she switched to sucking my clit, rasping her tongue against it.

We were both really going for it now, and as I felt the first stirrings of an orgasm, I also felt Teresa's pussy give tiny spasms. She must have felt it too, as she started to lick me even harder, and in less than a minute her cunt tightened around my

but as he went to guide his cock inside her fanny, he came, splattering her fresh-shaved mound and pussy lips with a wad of gooey come.

By the time I had lapped up every drop, Teresa was so turned on I had to start licking her

out again. I took things slower this time, enjoying every shudder of her body as my tongue hit the spot. After a while I felt Ben's hand on my bum, and shortly after that the tip of his cock stroking over my pussy lips. I moaned and smacked my lips and Ben took the hint, sinking his meat inside my cunt. He probed and ground it with his cock and Teresa whimpered with pleasure as I sucked and pulled on her clit. When both Teresa and I had come, Ben kept on fucking me hard, until he sprayed his spunk all over my back.

The next week, Ben even missed a few surf sessions for sex, which was the biggest compliment he could have paid us!

Josephine James

Leicestershire-born lovely Josephine James, a.k.a. Lady Josephine, will be a familiar face to some of you – she's appeared in Razzle's MILF special edition and in our sister mag, *Escort* more than a couple of times. With her all-natural – and very impressive – 48F-28-38 curves, she is one of Britain's most popular MILFs. She first dipped her toe into the muddy waters of porn way back in 1999 at the age of 31, and has since made a huge name for herself, not only professionally, but also on the amateur scene. Having shot over 85 films to date, some of her finest work we've seen was shot by Brit boys One-Eyed Jack, Rude Britannia and Spanking Tomato (Super Marino), including the filthy *Marino's Weekend Rampage: MILF's and Greedy Girls' Gangbang*, both of which we'd highly recommend. Married with kids, this mature mama is a well-known swinger, and from the way she handles a cock or four she has no intentions of slowing down yet. We love Lady Josephine, and (if you don't already) you will, too! Pop in for a looksie at www.josephinejames.net and myspace.com/ladyjosephinejames.

Foreign Performer of the Year – two years running, in 2008 and 2009. We reckon 2012 will be the year of the Doll! We've seen many of Diana's films and they're all worth a wank, but if we're

pushed we recommend giving Red Light District's *Cum Swapping Sluts 6* and Private's *Superfuckers 11* a go. You can also have a go at checking out her web spaces – www.clubdianadoll.com and twitter.com/DianaDollxxx. And see Diana's choice of vids at www.youtube.com/user/dianadollxxx. Enjoy!

Lisa Ann

A lot of you will recognise Lisa Ann from her now-infamous role in Vivid Pictures' 2008 blockbuster, *Who's Naylin' Paylin'*, in which she starred as Serra Paylin (or in Eminem's music vid for *We Made You*, playing the same role), but this buxom porn queen has actually been performing in adult movies for over twenty years now. Starting out as an 'erotic dancer' in 1990, three years later she went on to star in her very first X-rated movie. Since then, she's appeared in a whopping 260 of them – with sexual themes ranging from creampie (both vaginal and anal), DPs and A2M, to facials, interracial and lesbian sex. Luckily for her, then, that she describes herself as "bi, but I prefer men" and once said in an interview that, "Sasha Grey is the horniest performer

I've worked with – she just oozes sex appeal." With her 38DD-25-34 stats and tiny 5'2" frame, this self-confessed "old-fashioned girl from Pennsylvania" is still one of

Diana Doll

By far the youngest-looking of our bunch, Diana Doll may have the appearance of a youngster, but she made her first porno in 2001 at the tender age of 25 – a late starter by XXX standards. The Slovakian sex-kitten boasts a naturally tight 34B-24-35 bod, but couple that with her long blonde hair, green eyes and 5' 6" stature, and you have yourself a *bona fide* stunner! Having made over 250 porn flicks to date, the gorgeous MILF has carved a successful porn career out for herself, but she's not just a pretty face – she's a qualified graphic designer and make-up artist, who speaks six languages! Although she's yet to win an award, she's been nominated for the same AVN award – Female

NEXT ISSUE

the sexiest women in porn – MILF or not – and has proved that to be the case, winning seven industry awards since 2006. Also since 2006, this busty businesswoman has been running her own talent agency, Lisa Ann's Talent Management (which later joined forces with Seymour Butts' Agency). Still not satisfied with that CV, Lisa Ann decided directing was the next thing to conquer, and conquer she did with her directorial debut, *Hung XXX*, which was released in 2009. Recognition for her two decade-long career finally came earlier this year, when she was included on CNBC's list of top 12 porn stars, The Dirty Dozen. Fame at last, eh? Lisa Ann has made way too many filthy movies to recommend, so which would she choose? As she put it herself, "*Internal Damnation 2* where I do an anal creampie, or *The Brotherload*. It was my first guy-girl anal interracial scene. After the scene, five extra guys come into the room and pop their loads on me in turn while I beg for more." We will recommend, however, that you check out her websites and Twitter page – www.thelisaann.com and [Twitter.com/thereallisaann](https://twitter.com/thereallisaann)

Jordan Kingsley

Hailing from Trenton, New Jersey, this 5' 11" honey was a relatively late starter to the porn world, performing on camera for the first time in 2008, at the age of 31. She'd virtually been living the life of a porn star for three years anyway (and picking up tips, by the looks of things), having been married to infamous porn stud, Tony De Sergio, for six years now (and yes, they are still wed). But don't fret, dear friends, she's a self-confessed bi-swinger! Hoorah! With her enviously all-natural 36D-28-34 figure, blue eyes and long blonde hair, Jordan's the epitome of an American porn star, and has a sexual appetite to match. Her tastes include cum-swapping, double vag, interracial and lesbian sex, fetish/bondage and deep-throating – and she does it all with aplomb. If you're after a hot movie starring Ms. Kingsley, she's made over 80 titles for you to choose from, but we'd recommend Bluebird Films' *Independence Day*, Harmony's *Wicked Ones* and Digital Sin's *Mommy Knockers*.
